

HYDRO-BLOK™ Single Slope Shower Pans

HYDRO-BLOK Single Slope Shower Pans are designed to perfectly complement the Ebbe INNI® Linear Drain. All HYDRO-BLOK Shower Pans feature high-quality construction with a 100% waterproof XPS foam core covered by fiberglass mesh for added strength, and then coated in a modified cement surface for setting your choice of tile, stone, glass or mosaics on. HYDRO-BLOK Single Slope Shower Pans are available in the following sizes;

HBSSSP6036	60" x 36"	Single Slope Shower Pan
HBSSSP3660	36" x 60"	Single Slope Shower Pan
HBSSSP7248	72" x 48"	Single Slope Shower Pan
HBSSSP4872	48" x 72"	Single Slope Shower Pan
HBSSSPE7212	72" x 12"	Single Slope Pan Extension

Shower pans are sloped toward the first dimension listed (the dimension which the linear drain is installed against)

With Ebbe's all-new floor lowering clips (patent-pending), your shower area can be set up for a barrier free installation in no time at all.

Floor lowering clips allow the subfloor to be installed flush with the joists to allow barrier-free entry to your shower.

The Ebbe America INNI® Linear Drain is a patented system fully compatible with HYDRO-BLOK Single Slope Shower Pans.

Single Slope Shower Pans & Ebbe INNI® Linear Drain

HYDRO-BLOK™

The BETTER Shower System

Barrier-Free Elegance

Have you dreamed of a luxurious open-concept shower that seamlessly transitions from your bathroom floor directly into your shower with no barrier or curb?

HYDRO-BLOK Single Slope shower pans together with the Ebbe INNI® Linear Drain are your solution. The freedom to use any size of tile or stone on your shower pan allows for unique and creative designs and with no metal drain cover on the shower floor, your shower has the look and feel of luxury and elegance.

Ebbe's INNI® Linear Drain can be placed anywhere in a shower as it is easily customized to fit any shower space or size for either residential or commercial installations.

Take a look at the new era of shower designs and put yourself in a world of luxury and timeless elegance.

The Ebbe INNI® Linear Drain

HYDRO-BLOK™ products are ICC-ES tested & certified

The ICC Evaluation Service (a subsidiary of the International Code Council), or ICC-ES is a non-profit company which is the industry leader in performing technical evaluations for code compliance, providing regulators and construction professionals with clear evidence that products comply with codes and standards.

The 73½" linear drain body can be cut to fit showers of all sizes or coupled with additional drain bodies for larger showers.
